AT THE ALTAR.

terday Afternoon At the bride's home on Eighteent rough prominent wedding occurred, in re joining of the hearts and fortunes f Mr. W. C. Collins, of Rush Centre, lan., and Miss Anna J. Henderson, of iis city. The ceremony was performed y Rev. G. J. Luckey of the First M. E. hurch, in the presence of a very few near elatives of the contracting parties. The onnie were driven to the home of Mrs. fary Collins, mother of the greom, imrediately following the ceremony, where hey will remain until the bride has reovered sufficiently from her present reak condition resulting from illness, to take the journey to her future home in

Mr. and Mrs. Collins are both very well nown in Rock Island, which has been he home of each from infancy. Mr. rt & Montgothery's most successful raveling salesmen, and during his periodent member of Rock Island society and

ness. The bride has always moved in he best circles of Rock Island, her many ecomplishments and womanly qualities giving her a host of admiring friends. crously indisposed, but being fortunate n having the constant care of Dr. Cowlen, whose home was in the same house, of many friends.

Mr. Asser a past record is such that he should be estimated to the halfs or congress to continue the each in the interest of lobor, he has commenced. Vite for howest, tried and true "Bill" Keen, the length's friend.

Theatrical. SALSBURY'S TROUBADOURS.

The sale of seats for Salsbury's Troubadours opened this morning at C. C. Knell's. The indications point to a very big house, and those desiring choice seats should make early application. The merits of this company are too well known to need much of an introduction to our readers. "The Brook" has been entirely rewritten this season, new songs, graceful dances, and many new situations added to make this already very popular piece more famous than ever, if that were

He Was Still Dead

The other day when Morgan was down in Drury he met an intelligent looking shook him warmly by the hand with the inquiry: "How is your father?" The young man answered. My fath- land, Ill.

er has been dead three years'

"Indeed," reolied Morgan: "I had not heard of it I knew him intimately; he was one of my best friends and I regret to hear it: he was one of the best and purest men I ever knew; you have my sym-

The same evening he met the same per son in the church and having forgotten his face accosted him the second time with "How is your Father?" The young man road, -in connection with the newly looked at him for a moment and said "He is still dead," and walked off thinking that be had struck the greatest crank in the

Morning Fire.

An ajarm of fire in the Second ward at 5.25 this morning was occasioned by the discovery of flames on the roof of a small house, owned and occupied by John St. Louis through coaches, dining than 5 cents per bushel and have often and St. Louis through coaches, dining than 5 cents per bushel and have often a defective chimney flue, and the entire roof was demolished, entailing a loss of about \$200. The Phoenix, Holly and Franklin companies responded promptly, and under the supervision of Assistant Chief Sullivan, the fire was soon under control. The nearest bydrant was three blocks away, and Assistant Chief Sullivan was obliged to borrow hose from the Franklins and lay it across lots to reach the scene of the fire.

The Last Token.

can pay to the dead was paid this afternoon, when the body of the late Miss Anne L. Osborn was tenderly consigned to its eternal resting place at Chippians nick cemetery. The services at the resplence of Col. Henry Curtis, on Second avenue, were strictly private, and were conducted by Rev. Ray, of Chicago. The family performed every service themselves, there being no pall bearers in the ordinary sense of the word.

The Union's "Humorist." The Moline Chimes aptly remarks:

The Davenport Gazette is now running noes not inflict upon them the alleged jokes of a man whose only claim to wit rests in the fact that he bears the furname as a humorist of a national reputa-

BUTTERFLY BENNETT.

Bobby's Idea of His Duty to the Orde

he Represents .- Politics First. It is one of the fundamental principles reet at 4 o'clock yesterday, a quiet of the Knights of Labor organization, that politics shall play no part in the carrying forth of the objects of the order, and that the elevation and protection of labor shall be the one end sought. At this very moment there are matters requiring the immediate attention of the state master workman, but they must wait until that gentleman has finished his political wire working before he can give his attention

to the Knights of Labor interests. Bennett at one time had a conscience this was before he went actively into politics-for he once said that he had no right to use his office for political purposes, and that under no circumstances would be do so. But all these personal convictions as to principle have appar-

ently fled from Bennett's mind; he has within the past week not only gone 'ollins was for many years one of Stew- into politics, but he has taken the office of state master workman of the Knights of Labor with him, and is using an office imposed upon him as a sacred trust, to gain political and personal ends. Further singer of no order we merit. Ten than this, he is working boldly against the man whose nomination he sought in the interests of the Knights of Labor, and who has been formally endorsed by the greenback labor convention in this in the city, at Krell & Math's. congressional district in which Bennett Since last September she has been quite than a week ago, when he changed as
